

Career-Technical Education Day at the Roundhouse!!

January 22, 2024

Visit the State Capitol of New Mexico and share in our great democracy. Contact your legislator for a face-to-face meeting and prepare students to join them on the floor or in committee meetings! Share your experiences and influences regarding your Career Technical Education Program directly with the legislators in their office and attend the committee meetings and general sessions!

**Don't miss the Sunday Evening
Event for your students! Make
the trip educational as well!**

The New Mexico Association of Career Technical Education and NM Career Technical Leadership Program will be co-sponsoring an event just for your students! As always, we are excited to be able to provide knowledgeable speakers who will present ways in which the CTE students of New Mexico can best be utilized in policy making decisions. You won't want to miss this opening leadership development opportunity for your students!

**Sunday, January 21st from 6:00 p.m.–7:30 p.m. at the
