**T.A.I.A. Scholarship Application**  
**Four \$1000 scholarships to be awarded to the students of**  
**T.A.I.A. member instructors.**

In addition to the application, the following should be included:

1. One 250 word essay from the student on why they should be considered for a scholarship. Students can write about anything they feel is important to their needs. It would be appropriate to mention any particular circumstances about school or family that has made an impact on the decision to seek post-secondary education in your selected field. How career and technical education has affected you personally. What your career path you plan to pursue after post-secondary education, and how this scholarship could affect your future.
2. A letter of recommendation from the instructor, who must be a member in good standing of T.A.I.A. The letter should be at least one page in length.
3. A letter written by anybody connected with a community organization that the student is involved with. It could be by a favorite teacher, member of your local church, counselor, etc. It should be about any community service that the student has been involved in and/or any contribution that the student has made to his community. Examples would a community service project through Boy Scouts, Girl Scouts, Church, or SkillsUSA. The letter should not be written by a member of the family.

All applications must be in hard copy in a folder and should be mailed in to the TIVA office with a cover sheet complete with name of student, name of instructor, address of school, name of program and all contact information. All application packages must be post-marked by May 1; no late postmarks will be accepted.

A check to the winners of the TAIA Scholarship will be issued when a paid receipt is presented to the executive board of TAIA for classes that the student is taking in pursuit of a transportation-related degree.

The address to which the completed application must be mailed is:
