

2030 TIVA Vision Statement

Empowering Career and Technical Educators to develop innovative, relevant programs that embody excellence, instill lifelong learning, and promote economic and professional readiness for all students.

2030 TIVA Mission Statement

To ensure the impact and advancement of Career and Technical Education in Texas, TIVA is committed to: Providing cutting edge, robust professional development and instructional mentorship; promoting visionary leadership development and advocacy at the local, state, and national levels that enrich the lives of all learners; and cultivating a customizable experience that embodies service, industry partnerships, community, and best practices in curriculum and instruction.

TIVA 2030 Strategic Targets

In the future, TIVA will have an impact on Career and Technical Education across the state of Texas in an effort to support, inspire and empower its educators. Our vision will help create opportunities for success in our teachers, and their classrooms, by meeting the needs of educators, and creating an unparalleled professional development experience for our members. TIVA will have a direct benefit on school districts and their communities across the Lone Star state. The TIVA strategic vision plan for 2030 is outlined under these headings:

Foundation

- ★ Establish Financial solvency
- ★ Develop an Executive Director succession plan
- ★ Increase utilization of ACTE resources
- ★ Strengthen Professional Networking with Business and Industry partners
- ★ Enact Membership goals, reaching over 1000 members by 2030
- ★ Increased TIVA Affiliate inclusion in conference planning
