Block 1: Information Fair

Use this table to keep track of which tables or booths you visit during your time in the information fair. If you get a business card, snap a photo and add it to the table.

Table / Booth Visited	Name of Individual	What I learned

Block 2: Hands-on Help or Learning Opportunity

Use this space to take notes during your learning session or on the help that you received from your hands-on session.

Block 3: Reflection

After you attend the fair, you will return to your CTE classroom to debrief with your class. Once your discussion is over, follow this link to a Google form [link text to your survey tool] to share your feedback on the event.
