

2018 ACTE Agriculture Education Division Minutes
November 29, 2018
Texas A/B, San Antonio, Texas

The 2018 ACTE Agriculture Education Division business meeting was called to order at 1:40 p.m. by Division Vice President, Scott Stone. There were approximately 650 members and guests present.

It was discussed that there are 4,061 ACTE Ag Ed members nation wide; we are the second largest to the Administration Division. There was also a concern presented that we have over 7,000 NAAE members and how we get those members to also join ACTE. There were over 700 Agriculture Education teachers registered for the convention in San Antonio.

The new ACTE Agriculture Education Division Annette Weeks from Washington was introduced.

Members were encouraged to attend the ACTE Perkins 5 workshops being presented by ACTE during Vision 2018.

Those present were encouraged to attend the NAAE Business and Partners Reception at 4:30 on Friday night where ACTE will have a booth to discuss the benefits of being an NAAE and ACTE member.

There being no other new business, the meeting was adjourned at 2:05 p.m.

Respectfully submitted,

Scott Stone
ACTE Ag Ed Division Vice President.
