“Any business, any industry needs IT people - hospitals, fire stations, grocery store, border patrol. IT is everywhere. The more certifications they gain, whether CompTIA or otherwise, the more valuable they become and the more job opportunities are available. CompTIA is the stepping stone that opens the door.”

DAVID CALDWELL

ABOUT COMPTIA

The Computing Technology Industry Association (CompTIA) is a leading voice and advocate for the \$5 trillion global information technology ecosystem; and the estimated 75 million industry and tech professionals who design, implement, manage, and safeguard the technology that powers the world's economy. Through education, training, certifications, advocacy, philanthropy, and market research, CompTIA is the hub for unlocking the potential of the tech industry and its workforce.

COMPTIA AUTHORIZED ACADEMY PARTNER PROGRAM

The goal of the CompTIA Authorized Academy Partner Program is to provide valuable tools and resources to assist schools in recruiting, training, certifying and upgrading the skills of their students in IT. IT careers start with the right education, and research has shown that certified employees have superior communication skills and are better able to understand new or complex technologies. CompTIA's Academy program is designed to help schools promote certification and enhance student career opportunities.
