

COUNSELING AND CAREER DEVELOPMENT DIVISION

Connecting Education and Careers

Hello!

I hope that everyone has had a smooth start to the new school year! I am excited to start serving as the vice president for Counseling and Career Development Division! Over the last three years, Nicole Cobb and the policy committee worked hard to align our goals and mission with ACTE. Now it is time to take our division to the next level. It doesn't matter what your title is (school counselor, career counselor, career coach, etc.) as we all work to help our students explore careers and navigate training and education opportunities. We will be reaching out soon to see what you think would benefit our members. I look forward to seeing everyone at ACTE's CareerTech VISION in New Orleans, Louisiana, on **Dec. 1-4!**
