Presented the Strategic Plan to ETED members present at Vision Opening Session

Working to get a meeting of ETED policy members together to discuss goals for ETED Strat Plan

Still need instruction on what the Division Strategic Plan is supposed to look like, the best way to go about it and how long is the Division Strategic Plan? Are we developing a plan for the same 5 year period? I think I read somewhere it was yearly... Feel like I haven't had clear direction of what to do with this, I thought we were working on them at the March board meeting and then got a deadline notification of due in January.

List the strategies that have been completed.

I thought the strategic plan was still being developed and would become effective July 1st so I haven't completed any strategies. Sorry...
