Education Associates

Job Ready. Life Ready.®

“We have students with a very broad range of disabilities: from Intellectual Disabilities and Autism to OCD and Hearing/Visual Impairments. The Project Discovery Adapted Curriculum from Education Associates is extremely dynamic. I am able to simultaneously engage a diverse group of learners.”

Ashley Goodpaster
Vocational Director
Stewart Home & School

Job Ready. Life Ready.®

Education Associates is the leading provider of **career education** and **practical life skills** for all learners, including those **with special needs and at risk**. We offer schools, youth providers, adult organizations and educators the most comprehensive career exploration, job preparation and life skills curriculum available.

Did You Know?

Education Associates' curriculum has been approved & validated by the U.S. Department of Education.

We offer **Digital Badge Credentials** to empower students and communicate crucial skill sets to friends, family and prospective employers.

- 
Hands-On
 Students get to experience real job tasks with real tools of the trade as they learn about their interests and abilities in a dynamic, meaningful manner.
- 
Evidence-Based Practices
 Our programs include research-proven practices such as video modeling, visual schedules, hands-on activities, and differentiated instruction.
- 
Meets Students Where They Are
 Hundreds of activities for different reading/functioning levels and dynamic supports for students with significant challenges encourage career discovery.
- 
Meets Teachers' Needs
 Designed by teachers for teachers, our programs include multiple levels and formats to support teachers' needs to address all levels of learners.
- 
Data Collection Tools
 Our assessments include knowledge-based pre-post tests, work performance benchmarks and data sheets to evaluate functional performance levels.
- 
Academic Integration
 Our programs truly integrate career and technical education with academics as students discover the academic skills needed to perform job tasks.
- 
Implementation Made Easy
 Our dynamic titles allow for a broad range of strategies designed to match educators' expertise and classroom needs.
- 
Professional Development Training
 Our nationally-certified trainers provide hands-on training to encourage successful implementation. Our commitment includes site surveys and visits.
