PROGRAM MEMORANDUM

DATE: March 16, 2023

TO: State Directors of Career and Technical Education

FROM: Sharon Lee Miller *Sharon Lee Miller*
Director, Division of Academic and Technical Education

SUBJECT: Estimated Fiscal Year (FY) 2023 State Allocations under the *Carl D. Perkins Career and Technical Education Act of 2006, as amended by the Strengthening Career and Technical Education for the 21st Century Act (Perkins V)*

I am pleased to provide you with estimated State allocations for FY 2023 under Title I (Career and Technical Education Assistance to the States) of the *Carl D. Perkins Career and Technical Education Act of 2006, as amended by the Strengthening Career and Technical Education for the 21st Century Act (Perkins V or the Act)*. These are the figures your State must use when submitting your budget for FY 2023 as part of your Perkins State plan revisions, whether as a standalone plan or part of a Workforce Innovation and Opportunity Act (WIOA) Combined Plan, which are due by May 19, 2023.

Pursuant to the Consolidated Appropriations Act, 2023, Public Law No. 117-328, the first portion of Title I funds (approximately 40 percent) becomes available for obligation by the Secretary on July 1, 2023. Under the *Education Department General Administrative Regulations (EDGAR)* at 34 CFR § 76.703(d), July 1, 2023, is the earliest date that your State can obligate these funds. The remainder of your Title I funds will become available on October 1, 2023. Your State must obligate all funds by September 30, 2025. In addition, under the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)* at 2 CFR § 200.344 (b), you must liquidate obligations within 120 days of the end of the funding period, unless an extension is approved by this office.

Table 1 provides estimated Title I allocations for each State and outlying area, including the split of funds between July 1 and October 1. Please note the following regarding the estimated allocations:

- Perkins V requires that States distribute secondary funds under section 131(a)(2) of the Act based on the Bureau of the Census' estimate of the number of individuals
