A. Strategic Plan

Provide an update as to the progress /implementation of the Strategic Plan.

- Actions you have taken
- Successes you have had
- Support you still need

Increase State Representation and Grow Membership--We continue to reach out to states that are inactive in our region--currently we are working with Pennsylvania to increase their membership in our region through partnering for our Region 1 Conference in May. They will provide a PA Session as part of the conference.

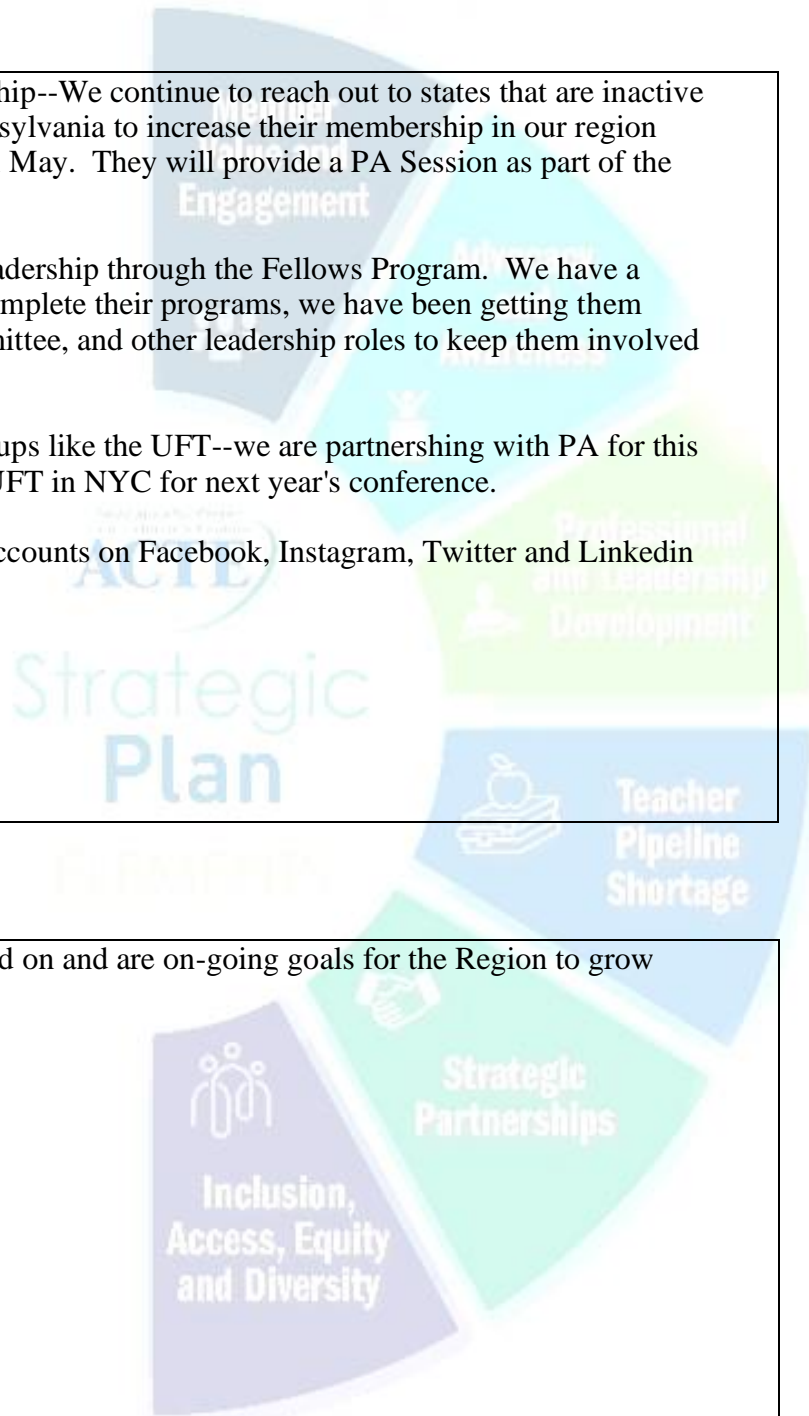

Grow Region Leadership--we continue to grow leadership through the Fellows Program. We have a Fellow we are sponsoring this year. As fellows complete their programs, we have been getting them involved with our policy committee, awards committee, and other leadership roles to keep them involved in the region.

Combine Region Efforts by joining with other groups like the UFT--we are partnering with PA for this year's conference and are in discussions with the UFT in NYC for next year's conference.

Increase Social Media Presence--We now have accounts on Facebook, Instagram, Twitter and LinkedIn and are posting and will continue to post

List the strategies that have been completed.

All of these initiatives above continue to be worked on and are on-going goals for the Region to grow membership, leadership, and state engagement.
