## A. Strategic Plan

Provide an update as to the progress /implementation of the Strategic Plan.

- Actions you have taken
- Successes you have had
- Support you still need

Based on the conversations that were held at the July board meeting regarding ACTE's strategic plan, the Region II Policy Committee met as part of the Region II Conference in October and discussed the alignment of our Strategic Plan and the ACTE organization. Additional conversations were held with our PCM prior to the VISION Conference in November/December. As a committee, we finalized our Strategic Plan and submitted it to ACTE. We are scheduled to hold another Policy Committee Meeting on Sunday, March 19<sup>th</sup> at the National Policy Seminar. We will begin looking at our Region II Bylaws to ensure we align with all areas of ACTE. This is one area in which we may need additional support from ACTE.

List the strategies that have been completed.

The Region II Social Committee has held many times to plan and implement the IAED webinars as listed in our strategic plan. We have determined a speaker for our first webinar to be held in March, and we are currently in the process of meeting with Dana to get the details finalized. Region II has two individuals participating the New Professional Fellows program. As indicated in our strategic plan, Region II will cover the expenses for the second individual to participate. As also indicated in our strategic plan, Region II provides a free registration for the ACTE National Policy Seminar for the state with the highest percentage increase in NPS attendance last year. This year's recipient was North Carolina and we have completed the process for their current Vice President to receive a complimentary registration to attend NPS.

## B. Contributions to Region and Division Members

Please remember the importance of engagement of members during this time and let ACTE know how we can help engaging your members with you! Please also let us know how you have engaged ACTE members within the past 4 months. Indicate if the work falls under any of the Strategic Plan.

The Region II Leadership Conference was held in Virginia Beach, VA October 4-7 in conjunction with VACTEA's Administrator's Conference and was a great success. We are currently in the process of planning for next year Region II Leadership Conference that will be held October 14-16, 2023 in Huntsville, AL. We are excited to be working with the Alabama ACTE board to plan this conference. Region II is currently funding one individual, over what ACTE provides, to participate in the Fellows program. Both individuals are part of the New Professional category. Region II continues to support membership engagement and professional learning. As also indicated in our strategic plan, Region II provides a free registration for the ACTE National Policy Seminar for the state with the highest percentage increase in NPS attendance last year. This year's recipient was North Carolina. We are also in the process of planning and implementing two IAED webinars for our members. We have identified the speaker for the first webinar and plan to hold it in March. This is part of our strategic plan and have set aside funds to pay our speakers.

ACTE is working to communicate and disseminate innovation at the forefront of all Regions and Divisions as an effort to support other CTE professionals around the nation. We anticipate highlighting the innovations in ACTE's publications, blogs, and webinars and other similar activities. Please highlight any recent innovative ideas within your Region or Division.

Region II designed and created a notebook for ShopACTE. This product is currently available for purchase. For promotional purposes, it was given as door prizes at the Region II Conference.

## C. Succession Planning

Do you have any information you wish you had been provided during your new Board Orientation (what you know now that you wish you had known then)?
