C. Succession Planning

Do you have any information you wish you had been provided during your new Board Orientation (what you know now that you wish you had known then)?

Testimonials from experienced board member(s) about how they balance professional responsibilities with ACTE board responsibilities. Sometimes it seems like I am always staring down a deadline and running late. A candid conversation about how they have met all board member responsibilities could be helpful.

D. Region/Division Concerns

What are your concerns for your Region/Division specifically	What are the implications for ACTE?	In what capacity can ACTE assist in addressing this issue?
