## B. Contributions to Region and Division Members

Please remember the importance of engagement of members during this time and let ACTE know how we can help engaging your members with you! Please also let us know how you have engaged ACTE members within the past 4 months. Indicate if the work falls under any of the Strategic Plan.

The Trade and Industrial division has worked on the following for contributions to our Division within the past 4 months:

ACTE is working to communicate and disseminate innovation at the forefront of all Regions and Divisions as an effort to support other CTE professionals around the nation. We anticipate highlighting the innovations in ACTE’s publications, blogs, and webinars and other similar activities. Please highlight any recent innovative ideas within your Region or Division.

- Mainly have just engaged with our Business and Industry partners to look for more opportunities to share throughout the year that shows member benefits to opportunities beyond VISION.
- New swag with the new T&I Icon was given away at the T&I opening and NCCER reception. They were a BIG hit.

### C. Succession Planning

Do you have any information you wish you had been provided during your new Board Orientation (what you know now that you wish you had known then)? Do you have any suggestions on future Vice Presidents for your Region or Division? Or any suggestions on future ACTE President-Elect candidates?

T&I will continue with the way they have always ran their succession plan. T&I will not have a President-Elect candidate for the prior year before service. They will be vetted and elected on year 3 like normal.

### D. Region/Division Concerns

<b>What are your concerns for your Region/Division specifically</b>	<b>What are the implications for ACTE?</b>	<b>In what capacity can ACTE assist in addressing this issue?</b>
Just increasing the outreach and opportunities for T&I in the quarterly newsletters.		Assisting me in contacts for T&I specific business and industry vendors so I can email them directly to ask to share any opportunities for T&I.
