

Hello Trade and Industrial Division,

I hope this finds you all in good health and excited for the coming of spring and nice weather.

I would like to take this opportunity to let you all know that the Trade and Industrial Education Division (T/I) policy and planning committee is looking for three regional representatives for Regions I, II and V. If you or someone in your region is interested in helping with our division, [please let me know](#).

I also wanted to share the exciting opportunity that Harbor Freight Tools for Schools has for skilled trades instructors and great programs like yours: The 2021 Prize for Teaching Excellence will award cash prizes totaling over \$1 million to 18 outstanding public high school skilled trades teachers and their programs! This is their fifth year hosting the Prize for Teaching Excellence, and they are excited to shine a light on and celebrate another great group of passionate, hardworking and dedicated public high school skilled trades teachers across America.

And finally, I would love to feature a different T/I instructor or program each newsletter spotlighting the great work you all are doing. If you or someone you know would like to be featured, [please drop me a line](#).

ACTE Releases Report on CTE During and After COVID-19

While COVID-19 has led to many challenges for career and technical education (CTE), the pandemic has also created opportunities for innovation in CTE

program delivery. ACTE's latest publication, *High-quality CTE During COVID-19: Challenges and Innovations*, generously sponsored by [MajorClarity](#), describes these challenges, shares examples of innovative practices, and provides recommendations for how CTE leaders can better prepare the post-COVID-19 workforce and embrace lessons learned during the pandemic.

New Brief: Connecting SEL Learning to Career Success

Social-emotional learning (SEL) is gaining traction within schools, particularly as research demonstrates an increase in overall well-being and lifelong benefits. Fortunately, social-emotional skills can be learned, taught, interwoven and prioritized in CTE programs. This Xello-sponsored brief, the latest in its Student Career Development series, written by Dr. Angela Smith, School of Education, North Carolina State University, is now available.
