

Postsecondary CTE Summit 2024

The Future of Postsecondary CTE

EXHIBITOR/SPONSORSHIP OPPORTUNITIES

What will postsecondary CTE look like in 10 years? 20 years? As postsecondary CTE leaders, we must chart the future of postsecondary CTE and ensure that structures, systems, processes, and programming support ALL students and ALL administrators, faculty, and staff. We must innovate to survive. Our goal is to create powerful learning environments. This event will focus on the following four themes:

1. Promising practices & emerging technologies: Scaling opportunity
2. Embedding postsecondary CTE students in a context of support
3. The future of teaching and learning in postsecondary CTE
4. Data and data interpretation: Charting effectiveness

Come join an audience that is looking for products and services that can help them prepare for the future of postsecondary CTE!

As an official conference sponsor, you'll have exclusive access to career and technical education's top postsecondary professionals! Sponsorship opportunities include:

EXHIBIT TABLES

[10 TABLES]

This is your opportunity to present your programs, products, and services to a national postsecondary audience! \$800
