Additional Information: The 2024-2025 Strategic plan worksheet was created by the previous Region II VP. I need to review and revise the plan with our PCM at our next Policy Committee meeting. We are on track with most of our action plan. The one action we will not be able to complete is conducting a panel discussion at our Region II Conference since this year's conference was cancelled due to Hurricane Helene. We will move that action item to the 2025 Region II Conference.

C. Succession Planning

Do you have any information you wish you had been provided during your new Board Orientation (what you know now that you wish you had known then)? Do you have any suggestions on future Vice Presidents for your Region or Division? Or any suggestions on future ACTE President-Elect candidates?

Nothing at this time

D. Region/Division Concerns

What are your concerns for your Region/Division specifically	What are the implications for ACTE?	In what capacity can ACTE assist in addressing this issue?
Membership engagement and value	Membership revenue	Michael and I have already discussed this, but we want to make sure that Region II members feel that their membership value has not diminished because we had to cancel the 2024 Region II Conference. I’m exploring with our Policy Committee on hosting webinars or a one-day virtual conference in the spring.

E. Topics to be discussed during Division/Region Breakouts

I know that all the Region VPs discussed this over e-mail, but I'd love for us to each talk about the format of our region conference, registration fees, etc. I feel that each region is different and I'm really wanting to make some changes to our format in Region II.

F. Items to be considered for placement on the Board Agenda

Topics to be placed on the board agenda for discussion. Give background information for the purpose of the discussion.

G. Request for Information
