## A. Strategic Plan

Provide the link to the Multi-year Strategic Planning Worksheet. Share any additional information about the implementation of the Strategic Plan you would like about the following:

- Successes you have had
- Support you still need

Link: [Region III Strategic Plan](#)

Additional Information: The Policy Committee has created three task forces to assist with implementing the strategic plan. Volunteers have been assigned to task forces with policy committee members. One of the three groups (Region III Conference) has met, but we anticipated the other two will be more active after the December Policy Committee meeting at Vision.

## B. Contributions to Region and Division Members

Please remember the importance of engagement of members during this time and let ACTE know how we can help engaging your members with you! Please also let us know how you have engaged ACTE members within the past 4 months. Indicate if the work falls under any of the Strategic Plan.

None at this time.

### C. Succession Planning

Do you have any information you wish you had been provided during your new Board Orientation (what you know now that you wish you had known then)? Do you have any suggestions on future Vice Presidents for your Region or Division? Or any suggestions on future ACTE President-Elect candidates?

None at this time.

### D. Region/Division Concerns

<b>What are your concerns for your Region/Division specifically</b>	<b>What are the implications for ACTE?</b>	<b>In what capacity can ACTE assist in addressing this issue?</b>
Region winners are not attending the Region Conference to accept awards. I think we have discussed this before, but it is still an issue and our region is exploring ideas to bolster attendance.	Minimizes the importance of awards. Impacts attendance at region conference.	Do you have recommendations for how to handle awards, such as should winners be notified before? What incentives could be in place to get them to attend the region conference awards ceremony? What are other ways nominees and winners could be recognized?

## **E. Topics to be discussed during Division/Region Breakouts**
