## B. Contributions to Region and Division Members

Please remember the importance of engagement of members during this time and let ACTE know how we can help engaging your members with you! Please also let us know how you have engaged ACTE members within the past 4 months. Indicate if the work falls under any of the Strategic Plan.

*Divisions, please share the work of Areas of Interest here*

Completed newsletters; however, Policy Committee will need to identify ways to utilize social media when the policy members do not use it personally or professionally. Region V Conference call for presentations has been posted and shared with state leaders and members.

ACTE is working to communicate and disseminate innovation at the forefront of all Regions and Divisions as an effort to support other CTE professionals around the nation. We anticipate highlighting the innovations in ACTE's publications, blogs, and webinars and other similar activities. Please highlight any recent innovative ideas within your Region or Division.

## C. Succession Planning

Do you have any information you wish you had been provided during your new Board Orientation (what you know now that you wish you had known then)? Do you have any suggestions on future Vice Presidents for your Region or Division? Or any suggestions on future ACTE President-Elect candidates?

None at this time, but will start preparing for the VP-elect position during the ACTE VISION conference.

## D. Region/Division Concerns

What are your concerns for your Region/Division specifically	What are the implications for ACTE?	In what capacity can ACTE assist in addressing this issue?
Region is struggling with the after-effects of the previous policy committee spending the entire designated budget in the previous fiscal year.	Region is cutting programs that supported award winners, reduced national fellows, and leadership opportunities for Region V members	A training provided to all policy members on multi-year budgeting as part of the on-boarding for being a Policy member.
Limited revenue streams	Unlike divisions, very few vendors are specific to geographic regions which makes it difficult to have vendors support Regional activities outside the VISION conference.	

## E. Topics to be discussed during Division/Region Breakouts
